Know: God parted the sea to deliver the children of Israel from the armies of Egypt.

Think: Be at peace with the assurance that God is in control and will accomplish His plan.

Do: Fight the urge to doubt God when faced with difficulty and uncertainty. Trust Him to see you through the situation.

Read— Exodus 14:1-31
We should understand and appreciate the fact that what is impossible to us is not impossible with God. God always has worked, and still can work, in ways in which we could not understand nor could we ever mimic.

Worship — **Praise to God.**

Do—Walk With God
Option 1: God was leading the Israelites out of Egypt, but Pharaoh changed his mind and started to go after them. God helped Moses create a dry path in the Red Sea for God's people to walk on, but when they were all across God made the walls of water fall onto the Egyptians. God used His power to protect His people. To demonstrate how God's power can protect us, have your child fill a glass with water. Then place a playing card over the top of the glass covering the entire hole. Put the cup over your child's head and turn it over. The card should suction to the glass and none of the water will fall onto your child.

Option 2: Play a simple game of "Possible or Impossible." (Note: some surveys may differ on the responses listed here. Allow this to generate some fun and arouse curiosity but don't get too hung up on the answers.)
• Tickle yourself (Impossible)   • Travel exceeding the speed of light (Impossible)
• Climb to the top of Mt. Everest (Possible)
• Human being to free-fall from space (120,000 feet up) and live (Possible)
• Licking the tip of your own elbow (Impossible)

Pray—Talk to God
We Can Trust God to See Us Through Difficulty. Pray that you and your family will trust God to lead you through what seem like dangerous and impossible situations because nothing is impossible for God.

Memorize — **Meditate on God.**
Deuteronomy 7:9 —Know therefore that the LORD your God is God; he is the faithful God, keeping his covenant of love to a thousand generations of those who love him and keep his commandments.

This week in Sunday School…

Preschool
Today your child learned the king told Moses to take the Israelites and leave. God had a plan to guide the Israelites out of Egypt and protect them as they crossed the Red Sea. God is powerful and He protects us. God Has a Plan.

Elementary
Today your student learned God guided Moses and the Israelites through the Red Sea to escape from Pharaoh and his men. He or she learned the same powerful God who guided the Israelites is also with us. God's Word and the Holy Spirit guide us in every situation in our lives.

Youth
Teens discussed God's display of power when He parted the Red Sea for His people to pass through. Talk with your teen about a time you faced a seemingly impossible set of circumstances but God saw you through. What were you able to learn from the situation?
