"Let us hold fast the confession of our hope without wavering, for He who promised is faithful; and let us consider how

to stimulate one another to love and good deeds, not forsaking our own assembling together, as is the habit of some, but encouraging one another; and all the more as you see the day drawing near."

Hebrews 10:23-25

During the summer months we often take time to vacation or visit family and we get out of our regular routines. And that's good to do. We often find when we return to our house that getting out of those routines leaves us with undone laundry, piles of papers and mail, weeds and garbage that needs tending to and long days of trying to get everything back into order.

It's like that at church too. We miss a Sunday or two on vacation and that leaves a gap in our serving and ministry. Without the help of the entire body of Christ we find ourselves falling behind. We have to get back into the routine of being together as a church body and functioning as one. We all need a break from time to time to reenergize and rest. God's Word tells us to rest from our labors.

We must remember, we are a crucial part to the functioning of our church family.

I hope you've had a refreshing summer and not one that's left you totally exhausted.

As we gear up for fall there will be many opportunities for you to serve and use your gifts for God's glory, so I look forward to seeing you and serving with you in the days ahead.

God Bless You!

Bro. Clayton
